

## Audiovisual Research Archives (ARA) Program

### Image Use and Copyright

Paris, June 2008

## CD-Roms and DVDs are solely intended for non-commercial uses

Users may obtain CD-Roms or DVDs of videos stocked in the Audiovisual Research Archives (ARA) collection:

- 1) CD-Roms can be opened on PCs and MACs;
- 2) DVDs can be viewed on PCs, MACs, as well as television screens.

These CD-Roms and DVDs are in *raw format*, meaning that they only contain video files without menus or other formatting.

To cover production costs, ESCoM requests that users **make a meager contribution to cover the costs of burning videos onto CD/DVDs** .

Below are the requested contribution amounts:

|   |            |                               |
|---|------------|-------------------------------|
| 1 | Raw CD-Rom | 10 euros (excl. tax)/ per CD  |
| 2 | Raw DVD    | 15 euros (excl. tax)/ per DVD |

For people, institutions, etc. that want to obtain several copies of a CD/DVD, ESCoM offers the reduced rates indicated below:

|   |            |               |                               |
|---|------------|---------------|-------------------------------|
| 2 | Raw CD-Rom | 2 to 9 copies | 8 euros (excl. tax)/ per CD   |
| 4 | Raw DVD    | 2 to 9 copies | 13 euros (excl. tax)/ per DVD |

### IMPORTANT NOTE

Users that obtain a CD or DVD from the FMSH-ESCoM's ARA collections promise:

- not to use the material for commercial purposes;
- not to plagiarize the researcher's work;
- to cite the CD/DVD's author when referring to its content or when using it for any other purpose.

This promise constitutes a contract between you and the FMSH-ESCoM's ARA program. The scientific works diffused on the FMSH-ESCoM's ARA sites are protected by French legislation and international agreements regarding copyright law. The FMSH-ESCoM's ARA site:

- has been declared to the CNIL (Dossier N° 1054648 from 11/19/2004)
- is protected by copyright law (Dossier N° 4T2S162).
